**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I chose a local provider because I was tired of the poor customer service and steep prices of a mega corporation. It is important for innovation and fairness to have smaller providers. Once the large corporations gain a monopoly they jack up prices and manipulate it so that you have to buy bundled services.

Im very happy with my local provider. I only have internet. I do not want to be forced to deal with a cable company.
